

Determination and Findings
For
Sole Source Procurement

1. **Authorization**

D.C. Official Code § 2-354.04

2. **Minimum Need**

The DC Public Charter School Board (DC PCSB) has a need to renew its contract with Soil and Land Use Technology, Inc. (SaLUT) to install filters and provide lead testing to schools.

3. **Estimated Fair and Reasonable Price**

The estimated price for this contract is \$500,000.00

4. **Facts That Justify a Sole Source Procurement**

SALUT is currently contracted to install lead filters to all charter schools. Once they have installed the filters they are being asked to test the sources for lead. SALUT has performed this work for charter schools before and will be using the savings from their current contract to perform this work.

5. **Certification by the Contract Specialist:**

I hereby certify that the above facts are accurate and complete.
